Minutes

Note - Next meeting on May 14 is cancelled because of Connect

- Infrastructure (FVPs in Tux)
 - TF-A
 - No issues with infrastructure, but did notice failures on a specific set of tests. Could be a timeout issue.
 - Release freeze date is set for May 10
 - After that will start some manual testing
 - Looking to complete on May 20
 - Final tagging will be the same week as Linaro Connect
 - [\[TFC-603\]](#) Paul still working on ticket
 - TF-M
 - All testing is now complete for the release
 - Will complete documentation, etc. by May 10
 - **Action** - Anton to update the team on May 10 to provide a status update
 - [\[TFC-615\]](#) Anton and team to look at why it's failing (now assigned to Anton)
 - [\[TFC-606\]](#) Paul tried to run it, but didn't work. Anton to take a look and update the comments in the ticket with possible next steps.
 - MBedTLS
 - Still need to merge some patches
 - Flexnext extension is working
 - [\[TFC-587\] MbedTLS](#) Ticket can be closed
 - Shebu
 - Will be attending Linaro Connect next week
